- By signing a Direct Debit Request or by providing us with a valid instruction, you have authorised and are providing a valid instruction to Trilogy Funds Management Limited, in respect of any investment amount, to arrange for funds to be debited from the account nominated above.
- We will only arrange for funds to be debited from your account as authorised on this Direct Debit Request Form.
- If the due date for payment falls on a day which is not a business day in Queensland, then a Debit transaction will be processed on the next business day. You should enquire directly with your financial institution if you are uncertain as to when the Debit transaction will be processed to your account.
- You will need to check with your financial institution whether direct debiting is available from your account as direct debiting is not available on all accounts offered by financial institutions. If you are uncertain, you should check with your financial institution before signing a Direct Debit Request, to ensure that your nominated account is able to receive direct debits through the Bulk Electronic Clearing System.
- You will need to give us at least 14 working days notice in writing if you wish to defer or alter any of the debit arrangements. This can be done by
  - writing to [investorrelations@trilogyfunds.com.au](mailto:investorrelations@trilogyfunds.com.au); or
  - by phoning us on 1800 230 099.
- You will need to advise us in writing if you wish to stop a payment being processed or cancel a Direct Debit Request. Such notice should be delivered to us at least 14 working days before the due date for payment or as otherwise stipulated in our Terms and Conditions. All requests for stops or cancellations must be referred to us in the first instance.
- We will provide you with at least 14 days prior notice in writing if we propose to vary any of the terms of the debit arrangement in place between us.
- It is your responsibility to ensure that there are sufficient clear funds available in your account to enable a debit payment to be made in accordance with the Direct Debit Request.
- If there are insufficient clear funds in your account to meet a debit payment:
  - you may be charged a fee and/or interest by your financial institution;
  - you may also incur fees or charges imposed or incurred by us; and
  - you must arrange for the debit payment to be made by another method or arrange for sufficient clear funds to be in your account by an agreed time so that we can process the debit payment.
- Before completing the Direct Debit Request, you should check the details of your nominated account against a recent statement from your financial institution, to ensure that your account details are correct.
- If a Debit Item is returned unpaid by your financial institution, you authorise us to present a further debit for payment, notwithstanding that this may exceed the maximum amount stated in the Direct Debit Request.
- If you believe that there has been an error in debiting your account, you should notify us directly on 1800 230 099 and confirm that notice in writing with us as soon as possible so that we can resolve your query more quickly. Alternatively, you can take it up directly with your financial institution.
- If we conclude as a result of our investigations that your account has been incorrectly debited we will respond to your query by arranging for your financial institution to adjust your account (including interest and charges) accordingly. We will also notify you in writing of the amount by which your account has been adjusted.
- If we conclude as a result of our investigations that your account has not been incorrectly debited, we will respond to your query by providing you with reasons and any evidence for this finding in writing.

- If we cannot resolve the dispute you can contact your financial institution at which your nominated account is held. Your financial Institution will then commence a formal claims procedure on your behalf.
- We will keep any information (including your account details) in your Direct Debit Request confidential. We will make reasonable efforts to keep any such information that we have about you secure and to ensure that any of our employees or agents who have access to information about you do not make any unauthorised use, modification, reproduction or disclosure of that information.
